Charles L. Fred : Breakaway: Deliver Value to Your Customers--Fast! before purchasing it in order to gage whether or not it would be worth my time, and all praised Breakaway: Deliver Value to Your Customers--Fast!:

In Breakaway, entrepreneurial businessman Charles Fred presents a revolutionary performance model that helps your company break away from the competition. He offers a new approach to organizational learning that will dramatically speed up the learning process and help any company save on their two most valuable resources-time and money. Breakaway provides the critical information you need for hastening the moment when each worker in your

organization can convert knowledge into action to provide value to the customer, and increase the bottom line.
