John O'Shaughnessy : Business Organization (RLE: Organizations) (Routledge Library Editions: Organizations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Business Organization (RLE: Organizations) (Routledge Library Editions: Organizations):

This book presents an integrated view of the three main approaches to organization ndash; classical, human relations

and systems ndash; showing what each has of value to contribute and how they complement each other. The three approaches are introduced, followed by critical analysis. The main classical problems are reviewed in the light of the systems approach. Finally there is a comparative summary in tabular form, an illustrative systems study and a decision schedule.
