4 of 4 people found the following review helpful. Five Stars By Joseph Gross I love the book. Well written and full of excellent tax saving info! 1 of 1 people found the following review helpful. Easy to read the book By Mark

Chiaravalle Easy to read the book. Eva hammers home the necessity to keep track of everything you do, the book is easy to read, with multiple sections on multiple topics all broken down nicely. I will be keeping this book as a reference. 12 of 14 people found the following review helpful. More than just deductions By B. Clements I learned a lot from this book. Have you ever heard of the MyRA? This is not just a list of what you can deduct. Eva goes into detail on how you can maximize your deduction and alternatives if you don't meet a criteria for a certain deduction. The resource list in the back is worth the cost of the book ten times over.
