The way to financial freedomBy Edward MendlowitzReverend Soaries' book makes sound financial living into a ministry to "save" those that are chained by the slavery of debt. Well, he does a great job with his solution and way toward freedom! As a CPA I am called upon many times to advise clients that have gotten in over their heads with debt and the Reverend's formula of dfreetm where the goal is No debt, No Deficits, No Delinquencies sets forth a program, method and change of habits to accomplish this that works. As a

Jew, I do not find offense with his extensive references from the New Testament and to Jesus because the quotes and examples make his points as well as any that I have heard. This is a book that I recommend to anyone drowning in, or feeling pressure from, debt. Buster's formulas work - I know it does from my experience advising hundreds of clients - and his book lays it out in a very logical, practical, and spiritual way. 2 of 2 people found the following review helpful. Excellent Instruction from an Excellent Teacher By John Oswald Pastor Soaries is a wise, intelligent man, an excellent teacher, a godly Christian brother, and a great example of financial excellence, overcoming adversity, and having a good attitude. Debt free is a must-read for anyone wondering what God's plan is for our finances. For someone not interested in God's plan, it's still an excellent piece of advice on how to manage finances from a whole-life perspective. Pastor Soaries has a passion for financial freedom that is admirable and should be instilled in all Americans, including our government. I hope this guy runs for office... This review is written by the author of "The Complete Debt Relief Manual - Step-by-Step Procedures for: Budgeting, Paying Off Debt, Negotiating Credit Card and IRS Debt Settlements, Avoiding Bankruptcy, Dealing with Collectors and Lawsuits, and Credit Repair - Without Debt Settlement Companies". When I was writing my book, I saw Pastor Soaries speaking about freedom from debt and was INSPIRED. Where my book is much more nuts-and-bolts how-to instructions about getting free from debt in the fastest way possible, Pastor Soaries' book is the foundation - the "why" - the mandate and the blessing - of freedom from debt and financial responsibility. I recommend reading debt free first, then when you're convinced, read The Complete Debt Relief Manual and get busy breaking the chains. John Oswald 0 of 0 people found the following review helpful. A must read! Debt free living here we come!!! By Louisiana This book convicted me from the very start of how poor of a steward I have been over the many blessings God has given me and my family. My biggest blunder was impulse spending on things that I really do not need. Thank you Rev Soaries for helping me come to grips with the fact that I CAN really think before acting and creating senseless spending. My spouse and I have made a commitment to paying God with the first fruit of our earnings according to the Biblical principals. The book is easy reading and was extremely helpful in getting my household ready to live debt free. I encourage anyone that is serious about living a debt free life to read this book, you will not want to put it down until the last page is read!!!

Debt free trade; No debt, no deficits, and no delinquencies. Drawing on his years of experience as a pastor, public policy maker, and community leader, DeForest "Buster" Soaries, Jr. shares the four vital keys to debt-free living in this groundbreaking, life-changing new approach. "The idea that we would be voluntary slaves is offensive to all of our sensibilities," says Soaries, "But when we continue to spend what we don't have, charge what we don't need, and borrow more than we can repay, then we must call the problem what it is: slavery." This is not another financial literacy program assuming that all people need is information. Soaries believes living in debt is an emotional, spiritual, and psychological problem as much as it is an educational and informational one. Here, Soaries shares the four vital keys to debt-free living that have helped hundreds of families in his church get out of debt. By replacing the "get more money" mentality with a "get out of debt" approach to financial freedom, not only were hundreds of people able to go debt free, his church's offerings increased by \$1 million dollars-- during the recession. Find out how you can leave a financial legacy of your own by saying yes to no debt. Says Soaries: "There may be no greater need than to understand the value and joy of debt-free living. There may be no greater legacy we can leave our children."
