From Palgrave Macmillan : Dirty Work: Concepts and Identities (Identity Studies in the Social Sciences)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Dirty Work: Concepts and Identities (Identity Studies in the Social Sciences):

This book explores understandings and experiences of 'dirty work' ndash; tasks or occupations that are seen as disgusting and degrading. It complicates the 'clean/dirty' divide in the context of organizations and work and illustrates some of the complex ways in which dirty work identities are managed.
