Greg Holden : eBay PowerUser's Bible before purchasing it in order to gauge whether or not it would be worth my time, and all praised eBay PowerUser's Bible:

0 of 0 people found the following review helpful. Convinced me not to get involved with eBayBy MightySchwaYeah, like a lot of people, I thought I might make some regular income on the side via eBay. I credit this book for dissuading me from such a venture. The information is generally good, but it also seems unable to provide truly viable solutions to the greatest impediments to consistently having goods to put up for auction on eBay.21 of 23 people found the following review helpful. Great book, the most complete!!By the low cal gallI have read a large number of ebay books, and this one is by far the best. It is the most complete and will be helpful for all levels of sellers from the novice to the advanced. If I was only going to buy 1 book on the subject, this would be it!0 of 20 people found the following review helpful. I received the book in no time at all.By HalleExcellent service, excellent price, and excellent product quality. I certainly look forward to doing business with this place again.

If you've always wanted your own business, here's your chance Now you can join the millions of eBay users who earn

some or all of their income from eBay, with the in-depth instruction you'll find in this comprehensive guide. The basics are all here: how to register, set up a PayPal account, create compelling listings, track income and expenses, report taxes; plus loads of ideas and strategies to help you grow your business and get profitable. Packed with illustrated instructions, valuable tips, and terrific techniques, this is the book you need to move from shopper to eBay Power User and succeed. Open a seller's account and create listings that sell. Field questions, add new information, and drive the sale. Launch an eBay Store and build inventory. Find the best ways to receive payment and ship goods. Master Accounting 101 for eBay sellers. Market yourself and manage your business for growth. Learn sniping and other bidding strategies. Make business phone calls with Skype. Avoid licensing, legal, and other pitfalls. Use your blog as a door for customers to meet you. eBay sellers can link to their Web sites' home pages. Check out the eBay Shipping Center for shipping services.

He has been a Power Seller on eBay and is the founder and owner of Stylus Media, his own, small, Internet-based business. He is the author of more than 30 books, several of which focus on eBay. He writes a regular column for the Web site AuctionBytes. He also has written articles for publications that include CNET, Forbes, PC World, and Entrepreneur. Besides that, he is a tireless bargain hunter who collects fountain pens, hats, musical instruments, and watches, among other things—many of which he's bought on eBay.
