**C. Mildenberger : Economics and Social Conflict: Evil Actions and Evil Social Institutions in Virtual Worlds** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Economics and Social Conflict: Evil Actions and Evil Social Institutions in Virtual Worlds:

0 of 0 people found the following review helpful. Great book, Varied topics but highly relevant not only in real life but in Eve OnlineBy SamuelThis was a great book! for the lovers of Economics and Moral Compasses!

This book brings to life the classic thought experiment of a natural state. Provides data on the economic aspects of social conflict of 400.000 people living in a virtual anarchy; showing evil actions and rules exist from an economic perspective. Non-instrumental violence has economic effects and inciting people to fight are not overcome in time.

About the Author CARL D. MILDENBERGER studied business and economics in St. Gallen, Switzerland, Boston, USA, and Witten, Germany, as well as philosophy in Paris, France, and St Andrews, UK. He is currently Lecturer in New Institutional Economics and Philosophy of the Social Sciences at Witten/Herdecke University, Germany.
