Elmer Wheeler : Elmer Wheeler's Tested Public Speaking [Second Edition] before purchasing it in order to gauge whether or not it would be worth my time, and all praised Elmer Wheeler's Tested Public Speaking [Second Edition]:

Originally published in 1947, this is the Second Edition of "Elmer Wheeler's Tested Public Speaking" (1939). Brought up to date, it incorporates revised material based on Wheeler's further vast experience acquired in the course of giving 2,798 additional speeches since the publication of the first edition in 1939. It also includes his talk, "Take an Hour to Say No," which at the time of this 1947 publication had been reprinted over a record

7 million times. "As usual, Elmer Wheeler has based this book not on fancy, academic rules, but rather on his own practical experience as an outstanding speaker in his own right."
