Ulrich Steinvorth, Carlos Largacha-Martinez, Claus Dierksmeier : From Capitalistic to Humanistic Business (Humanism in Business Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised From Capitalistic to Humanistic Business (Humanism in Business Series):

Transforming Capitalism addresses the challenges to shareholder capitalism. It explores: fair play in the market place; challenges on systemic, organizational and individual levels; the need to refocus our economic system around community and cooperation; the current challenges and transform capitalism.

About the Author is Distinguished Professor of Globalization Ethics at Stonehill College, Boston, Co-Director of the Sustainable Management and Measurement Institute (SUMMIT), and Board Director of The Humanistic Management Network. He has a special interest in the theory of freedom and the history of liberal thought in Europe, North and South America. He has published several books on legal, political, and religious philosophy and works currently on topics of globalization ethics and corporate social responsibility.
