E. Bolland, C. Lopez, Carlos Lopes : Generations and Work before purchasing it in order to gage whether or not it would be worth my time, and all praised Generations and Work:

Based on an extensive national survey of workers and four separate industry-specific surveys, Generations and Work will examine and provide answers to the most common issues and problems of multi generational work by assessing differences and commonalities between and among generations.

About the Author Author Eric Bolland: Eric Bolland is Assistant Professor of Business at Viterbo College in LaCrosse Wisconsin.
