completelyBy Vaughan DabbsI am a successful business owner and own a top 1% Chiropractic and PT Rehab clinics in the US and have been to many seminars, read many books on marketing and I when read Black Belt in Marketing by Ali Pervez and it amazed me I had more to learn. It summarizes hundreds of books, seminars and puts in an easy to read, and very informative book that will cover every area you need to know. I am now starting a new home based back care product to help those in back pain-the Dabbs Accelerated Back Care System and need this book to accelerate sales to a huge level and be able to help thousands of people in pain. It gives me the confidence to move ahead full steam. Thank you Ali.Vaughan Dabbs DC, DABCO.[...]0 of 0 people found the following review helpful. Awesome book. I did a book report on it ...By CustomerAwesome book. I did a book report on it for my job and presented it to the team. Everyone learned a lot and loved the insight especially the HEART acronym!3 of 3 people found the following review helpful. Getting AlongBy G. MaudThis book has sound, (mentally) healthy suggestions for getting along with others in a very readable style. It fills in gaps that many parents did not model or teach well and can help a person feel more confident that (s)he is doing one's best in relationships.

Are you looking for proven revenue-generating strategies to grow your sales immediately? In "Get Your Black Belt in Marketing," learn eighty-one moves to cut through the marketing clutter. These moves are absolutely guaranteed to increase your sales!

""Get Along offers a useful reminder of what we all need to make our lives and our businesses work better: communication, openness and sincerity. It's so easy to lose touch with these concepts in a busy, stressful day, but Sanow and Strauss make a compelling argument that it's worth it to make the effort. -- Margaret Webb Pressler
