Although it is better to give than to receive, giving is harder for most people. Giving is not only good stewardship; it enables the church to help those in need. Respected Christian financial expert Larry Burkett uses God's Word to show the strong biblical basis for giving to and serving in the church. Using benevolence ministries as an example, Burkett explains how God uses Christians to minister in His name. This is accomplished by giving back to God a portion of what He has graciously given.
