Wim Den Dekker : Global Mindset and Leadership Effectiveness before purchasing it in order to gauge whether or not it would be worth my time, and all praised Global Mindset and Leadership Effectiveness:

The book addresses managerial attitudes regarding globalization and international business, often referred to as a global mindset. A global mindset is not enabling managers to be most effective in all situations. Alongside the structure and culture of their working environment, this leads to consequences for both managers and their

organization.

About the Author Wim den Dekker is Head of HR Western European Area at Lloyd's Register, Netherlands. He has studied economics and business administration and has over 20 years of business and HR experience in professional and leadership roles. He has researched extensively in the area of global leadership effectiveness whilst working in an international business environment.
