John Thornton : Jesus' Terrible Financial Advice: Flipping the Tables on Peace, Prosperity, and the Pursuit of Happiness before purchasing it in order to gage whether or not it would be worth my time, and all praised Jesus' Terrible Financial Advice: Flipping the Tables on Peace, Prosperity, and the Pursuit of Happiness:

2 of 2 people found the following review helpful. All Christians should read this bookBy Jane HinrichsEvery Christian Believer needs to read this book -- especially American Christians! Heck, everyone oughta read this book. It is the perfect title for so much financial advice experts give people (to include Christian experts) is not at all what Jesus said how we ought to approach money. Do you want to be challenged? Do you want to live wholly for Jesus? Read this

book. This is a fast read. It is full of scripture and I believe John Thornton is right on target theologically. Great, great, great message. 0 of 0 people found the following review helpful. Must read for every Christian. By phil64 This book is so good I re-read it, twice! This is a must read for every adult Christian. 0 of 0 people found the following review helpful. A great read for those who would like a Biblical viewpoint ... By steve A great read for those who would like a Biblical viewpoint of how God wants us to manage the resources that he has provided to us.

“Jesus’ advice ruined what I planned to write.” It was the recipe for a great book. John and his wife—both financial experts—had cut their income by 80% to pursue more meaningful lives. Within six years they had two kids, were debt-free, went on several vacations, and doubled their net worth. John was ready to share the biblical principles that made this possible. But he couldn’t. After reviewing Scripture’s teaching on money—over 1,300 verses—he realized he had missed something big. Jesus’ Terrible Financial Advice turns even conventional Christian wisdom on its head. While it answers many of the practical questions we have—like does Jesus want me to be rich or poor? Should I give to everybody who asks? Is it wrong to save?—it goes beyond these concerns. It asks bigger questions, gives bolder answers, and offers a more comprehensive view of stewardship. Follow Jesus’ “terrible” (shocking, otherworldly) financial advice, and you’ll have what money can’t buy: purpose.

About the Author DR. JOHN THORNTON is a CPA with a Ph.D. in Accounting from Washington State University. He is the L.P. and Bobbi Leung Chair of Accounting Ethics at Azusa Pacific University, a Christian university with over 10,000 students near Los Angeles, CA where he directs the School of Accounting.
