Michael C Thomsett : Killer Commodities: How to Cash in on the Hottest New Trading Trends before purchasing it in order to gage whether or not it would be worth my time, and all praised Killer Commodities: How to Cash in on the Hottest New Trading Trends:

With the stock market as unpredictable as the economy, many investors believe the commodities market presents a

less volatile, and more predictable, investment opportunity. In clear, accessible language, commodities expert Michael C. Thomsett explains each of these investment strategies as it relates to specific commodities, such as crude oil, wheat and other grains, precious metals, basic and luxury food items, and foreign currency exchange.
