Daide Nicolini : Knowing in Organizations: A Practice-Based Approach: A Practice-Based Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Knowing in Organizations: A Practice-Based Approach: A Practice-Based Approach:

This work explores the relationship among knowing, learning, and practice in the development of organizational

knowledge. It explores the implications for intervention growing out of the notion that organizational knowledge cannot be conceived as a mental process residing in members' heads.
