Dave Ramsey : La transformacioacut;n total de su dinero: Un plan efectivo para alcanzar bienestar econoacut;mico (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised La transformacioacut;n total de su dinero: Un plan efectivo para alcanzar bienestar econoacut;mico (Spanish Edition):

1 of 1 people found the following review helpful. Great Book!!!By strikeeagleThis is a great basic but motivational book to help you get better with your finances. I have read a lot of reviews of people complaining about the amount of stories in this book or that it is too basic. What people need to understand that motivation is as important as knowledge. Most people like me, reading this book can somehow identify with some stories and realize we have a problem. The book is basic because it is for people looking to learn how to get out of debt through baby steps. I see a

lot of people complain that it doesn't show them advance stuff. But if this same people can't even get out of simple debt how can they invest or do other things? By getting in more debt? This is a basic STARTING point for people who want to change their bad financial habits. Pros: Easy, motivational, and for people (like me) financially irresponsible, trying to change Cons: Not for so called finance gurus, not for investing, etc., or people with no debt (unless you want to read successful stories about people paying of debt) 0 of 0 people found the following review helpful. Great Book! By Ramon Nazario Maldonado Morales Fortunately I am out of debts and me and my wife are on the step where you start saving for your retirement and creation of wellness. I always have considered myself very well structured on my personal and business finances and this book helped me even more and gave me more confidence on how we are doing and planning our financial retirements. Ramon 0 of 0 people found the following review helpful. My friend from our book club loved it. By Florida Lover My friend from our book club loved it. She followed in Spanish while the rest of us followed in English. Worked out well.

El experto en finanzas Dave Ramsey ofrece un práctico e inspirador plan de acción para alcanzar una óptima situación económica en la vida. Contra un telón de fondo de terminología de condición financiera, Dave nos ofrece convincentes e impactantes consejos para alcanzar nuestras metas. Un plan integral para salir de deudas y lograr estabilidad económica.

About the Author Después de sufrir una pérdida financiera personal de una cartera de bienes raíces de 4 millones de dólares, Dave Ramsey decidió regresar a los principios básicos de las finanzas personales y ayudar a otros.
