Rob Nielsen, Jennifer A. Marrone, Holly S. Ferraro : Leading with Humility before purchasing it in order to gauge whether or not it would be worth my time, and all praised Leading with Humility:

0 of 0 people found the following review helpful. Do you and your team a favor. Read this!By LFVA must read for any Current or future leader. I'm currently a successful leader. This book has only raised my game!0 of 0 people found the following review helpful. It made me thinkBy Mary F. Raptis- NielsenIt made me think about humility in ways I had not thought about it before.It was understandable. I would recommend it to others. mary0 of 0 people found the following review helpful. A concise academic review coupled with brief examples and actionable recommendations.By Anders_EA concise academic review coupled with brief examples and actionable recommendations. I picked this book up based on a recommendation, but think it fits well in any MBA course. I was surprised to find there are so few books written on the topic of humility. Note, the practitioner-reader may want to skip some of the academic sections. Overall, a very well written book that gave sound perspective on an important topic.

The media is saturated with images of leaders as powerful, headstrong individuals, who are certain of their position and willing to do whatever it takes to achieve their organizational goals or personal ambitions. In reality, far too often, a leader's ego gets in the way of sound decision making, adversely affecting the organization and the individuals

involved. This insightful book, based on cutting edge research, advances a new model for understanding effective leadership. Nielsen, Marrone and Ferraro advocate the idea of leading with humility, a trait that is rarely discussed and frequently misunderstood. Humble leaders consider their own strengths, weaknesses and motives in making decisions, demonstrating concern for the common good, and exercising their influence for the benefit of all. Leading with Humility offers students and leaders clarity in understanding the connection between leadership and humility, and teaches them how to enhance their own abilities to become better leaders.
