Raymond Pettit : Learning From Winners: How the ARF Ogilvy Award Winners Use Market Research to Create Advertising Success before purchasing it in order to gage whether or not it would be worth my time, and all praised Learning From Winners: How the ARF Ogilvy Award Winners Use Market Research to Create Advertising Success:

This book demonstrates how the best companies use the creative application of research, done up front, to produce the big ideas with significant impact on the market and on the people, employees, partners, retailers and customers. Readers of this book will experience how brand managers and their agencies use the right research to drive new brand insights, re-define problems or markets, support risk-taking ideas, and illuminate diverse audiences. This book will be an invaluable resource for business executives looking for market strategy, consumer psychologists, teachers, students, and practitioners looking for a trusted guide for study in advertising, marketing and promotion.

“Nowhere has there ever been such a thorough and thoughtful review and explication of the best of the best in advertising research.” — Group President, Harris Interactive
