Marianne Ekman, Bjørn Gustavsen, Terje Asheim, Øyvind Pålshaugen : Learning Regional Innovation: Scandinavian Models before purchasing it in order to gauge whether or not it would be worth my time, and all praised Learning Regional Innovation: Scandinavian Models:

Participation and social responsibility in innovation is then a core theme of this book. Both are issues of

organization and not of ethics, or the enforcement of other forms of obligations on individual actors. The need is for a democratization of innovation that can make innovation open to broad participation.
