Pamela D. Straker : Let Me Stop You Right There: And 28 Other Lines Every CEO, Manager, and Supervisor Should Know before purchasing it in order to gage whether or not it would be worth my time, and all praised Let Me Stop You Right There: And 28 Other Lines Every CEO, Manager, and Supervisor Should Know:

1 of 1 people found the following review helpful. Let me stop you right there:and 28 other linesBy Debbie LoveladyI have worked with almost every type of personality described in this book and now being in a supervisory position now, I found great insight on handling some difficult and possibly sticky situations. Pamela Straker offered very good ideas on the proper handling and verbal conversations in the workplace. And...it was short and precise!!2 of 2 people found the following review helpful. Wtf is this?By Darl InbergWhy did I buy this? This is the biggest waste of 8 dollars. The book could have been written by a freshman in high school. None of the so call sayings are unique, they are literally along the lines of "excuse me, may I go to the bath room" or "how is your day"Seriously, the author just pick 28 sentences she heard in the past 48 hrs.I want my money back.

Have you ever noticed that great CEOs, managers and other people in charge always seem to know exactly what to say in every situation? Author Pamela Straker, with more than 25 years experience as a mental health and management professional, has. And in *Let Me Stop You Right There*, she outlines various common scenarios for effective communication with office archetypes: "by-any-means-necessary" overachievers, gossips, office invaders, negativity-mongering complainers, and many more. Chapter-by-chapter, Straker addresses effective means of communication in the workplace with great humor and insight. Each chapter outlines a scenario, proposes the response, or "line," to bring the discussion to its logical conclusion, and provides an explanation of why these lines work. Whether a CEO, manager, or supervisor, *Let Me Stop You Right There* is sure to become an indispensable addition to your business library.
