Hundreds of Heads : Life After College (Hundreds of Heads Survival Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Life After College (Hundreds of Heads Survival Guides):

1 of 1 people found the following review helpful. Love it..By HophouseAs a senior graduating in May, I needed guidance on a lot of things. This book, approximately \$5 on , was well worth it. Hearing what other graduating students did about money, moving, jobs, roommates, graduate school, and a bunch of other topics was very helpful! This would make a great gift for any graduating student!1 of 1 people found the following review helpful. Life After College--Not for information!By Gregory C. CarlsonNot a research-oriented book, more a collection of stories fine for

entertainment but not for education and information. If you are looking for something to help a college graduate, this may not be it! 0 of 0 people found the following review helpful. Great book with important lessons for anyone, not just college graduates. By K. Gebhardt I was given one of these after I graduated my undergrad. There are so many great lessons in here. Many of their tips and recommendations can be applied to anyone, regardless of schooling. I am in my graduate program now and still find myself revisiting this book.

Need a job? An apartment? Insurance? A plan to pay for it all, without going into debt? Know how to cook and iron? And what ever happened to the weekend keg party? It seems like only yesterday that you were tossing your graduation cap in the air. Now, you're confronted with challenging real-world questions. There's no need to stress. Here's help. Hundreds of graduates help you navigate the real world with hard-won wisdom, tips, and advice. It's an orientation guide to becoming a successful, semi-mature adult. Life After College is the roommate every new college grad needs. Topics covered include: Finding and Keeping Your Dream Job; Working Well with Bosses and Coworkers; The Perfect Place to Live; and How to Get There; Off-Campus Love; Cooking, Clothing, Etiquette; and Other Grown-Up Stuff; Is Grad School for You?; Savvy Advice on Budgeting; and Getting By with Less. With a special financial "how-to" guide from the American Institute for Economic Research.

Your orientation guide to the real world's The Today Show The perfect gift for the newly minted college graduate. The Post and Courier [A] breezy reading experience that's part chat room, part support group...practical tips on apartment hunting, jobs, money and romance...grads will find enough soul baring to reassure them they're not alone. Seattle Post-Intelligencer [I] it's real, and from people young enough to still remember the huge transition from college to painful independence. Cleveland Plain Dealer 'By interviewing literally hundreds of recent graduates and other experts, the resulting book reads more like a magazine with tips, tricks, top tens, and mainly quotes from those who've tread the road ahead and come back to share their experiences. Topics of advice range from cooking to etiquette for dining with a boss, from handling loans to hanging laundry, from writing a resume to making time for racquetball...and everything in between. Easy to flip through and glean bits of advice on a particular topic, or just in general, Life After College may become a new grad's best friend. College Recruiter.com Although the book is pitched to recent grads, the advice can be used by anyone. McClatchy-Tribune Information Services This book really covers everything a collage graduate needs to know. How to dress for company events, cooking skills and recipes and money management ideas. There also is a great section on relationships after collage, trust me there is a major difference when it comes to meeting someone in collage and meeting someone in the real world....I really do recommend the book if you are not sure what to do with your life after graduation. It's also a great gift for any graduate, even if they have a job lined up, there is so much useful information that this book should not be passed up on. Savey Spender What to do the moment you get out of college is the question asked by many a fresh graduate. "Life After College: The New Graduate's Guide" is an advice manual for finding that first job that those years of education were meant to prepare you for. Finding that first home to live alone, graduate school, dealing with having no money, finding love after the ease of college, and more. "Life After College" is chock full and packed cover to cover with information and is a very highly recommended read. The Midwest Book The latest book in the wildly popular Hundreds of Heads College Series . At over 400 pages and full of powerful, tested advice, this book is the perfect graduation gift for college grads. With a special editor from CNN, the book focuses on getting and keeping a job, finding the best place to live, choosing the right financial path, adult etiquette, looking for love and graduate school options. The book also contains a special financial "how-to" guide from the American Institute for Economic Research. Between the Pages
