Steve W. Williams : Making Better Business Decisions: Understanding and Improving Critical Thinking and Problem Solving Skills before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Better Business Decisions: Understanding and Improving Critical Thinking and Problem Solving Skills:

0 of 0 people found the following review helpful. The book has some good advice throughoutBy ElizabethThe book

has some good advice throughout, but I had to buy it for a grad class, and I could not make myself read it all the way through. Some of it gets a little repetitive, but it was in great condition!2 of 2 people found the following review helpful. TWU classBy Ruqayyah SaburI needed this book for class, It was a good read and had valuable information. The condition was great, I would buy this again.0 of 0 people found the following review helpful. it for a graduate learning classBy Eureka logicits for a grad class so its good information but not unique in any way

If you're serious about making better decisions in your business and your life, read this book and discover the hidden psychological, biological and physiological factors influencing the decisions you make. Expert author Steve Williams shows how an awareness of these influences can improve the quality of the decision-making process and increase creativity and innovation. Insightful and easy to read, "Making Better Business Decisions" will help you: Analyze options more clearly and creatively Reduce decision time Recognize and focus on priority decisions Understand why and how others make the decisions they donbsp;
