Robert Doyen, Meg Schneider : Making Millions For Dummies before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Millions For Dummies:

0 of 0 people found the following review helpful. Although I'm not done reading this GREAT read.By jannellAlthough I'm not done reading this GREAT read.... I was in tears as to how deep it is when allowing one to dig deep inside themselves realize we as people need to Push ourselves to the limit to make it...we can all be wealthy with the right mind set!!!0 of 0 people found the following review helpful. Five StarsBy Marx P LimJust call me Warren Buffet Jr!1 of 1 people found the following review helpful. loved itBy BRE86it has alot of ideas for saving money and your relationship with money in general, it helps keep your money growing, not a get rich quick scheme.

The must-have guide to achieving great wealth Making Millions For Dummies lays out in simple, easy-to-understand steps the best ways to achieve wealth. Through a proven methodology of saving, building a successful business, smart investing, and carefully managing assets, this up-front, reliable guide shows readers how to achieve millionaire or multimillionaire status. It provides the lowdown on making wise financial decisions, with guidance on managing

investments and inheritances, minimizing taxes, making money grow, and, most important, how to avoid common and costly financial mistakes. Millionaire wannabes will see how to maintain financial security throughout their life with this easy-to-follow road map to financial independence. For individuals who yearn to make millions but don't want to be restricted to owning or running a business, the book features other options, such as inventing and patenting the next big thing, consulting, selling high-value collectibles, and flipping or owning real estate.

From the Back Cover
Your practical guide to taking control of your money and achieving great wealth
