Mats Alvesson, Hugh Willmott : Making Sense of Management: A Critical Introduction before purchasing it in order to gauge whether or not it would be worth my time, and all praised Making Sense of Management: A Critical Introduction:

Electronic Inspection Copy available for instructors here The first edition of Making Sense of Management set out to provide a fresh perspective on management that was both broad and critical, exploring how the disruptive and constructive potential of critical theory can be realized in organizations. Along the way, it has proven to be a landmark contribution to critical management studies. As well as setting the agenda for current research, this revised edition has

been written to appeal to a broader readership and open up critical theory for the general management student.
