**Emily Guy Birken : Making Social Security Work for You: Advice, Strategies, and Timelines That Can Maximize Your Benefits** before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Social Security Work for You: Advice, Strategies, and Timelines That Can Maximize Your Benefits:

0 of 0 people found the following review helpful. Good for most, but not dual middle/high income earnersBy SarahFor

a dual income couple, there isn't much to help. There is a lot of good information about what taking SSN at different ages means with taxes. 1 of 2 people found the following review helpful. Picked up a few good bits of information By Joe J. Picked up a few good bits of information, especially tax implications on benefits. Very broad overview of the program with information and illustrations for any type of situation. Much of it did not pertain to my situation, but the parts that did were helpful in planning my benefit claiming strategy. 0 of 1 people found the following review helpful. This may be a useful pub for someone planning for retirement. By OlyJim I am a retiree in my late 70s. This pub does not contain anything new that I needed to know.

Featured in The Washington Post An up-to-date guide to getting the most out of Social Security under the new regulations that took effect on April 29, 2016. Despite reports of Social Security's impending bankruptcy, Social Security remains an important part of most Americans' retirement plans. But will it be enough? Making Social Security Work for You teaches you what you need to know about Social Security retirement benefits and the options you can choose to help meet your retirement goals. In straightforward, easy-to-understand language, this compact guide provides advice on the advantages and disadvantages of delaying benefits as well as the best ways to maximize your benefits depending on your financial or marital situation. Featuring a glossary of terms to help you better understand Social Security jargon; a full explanation on how the system works under the new regulations that took effect on April 29, 2016; and practical, actionable advice on how and when to save additional retirement funds, this book shows you how to make your retirement the best it can possibly be. "Guy Birken brings her breezy style to explaining a system that can be mind-numbing." --The Washington Post

As seen on NextAve and Wisconsin Public Radio! "Birken's style of writing is easy-to-follow. She has a subtle sense of humor that comes out in her writing. This makes the material enjoyable to read, even for a dry subject like Social Security." --Financial Ducks in a Row
