Tony Watson : Management Organization and Employment Strategy (RLE: Organizations): New Directions in Theory and Practice (Routledge Library Editions: Organizations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Management Organization and Employment Strategy (RLE:

Organizations): New Directions in Theory and Practice (Routledge Library Editions: Organizations):

The book brings together in a single volume material and issues normally treated separately, such as management studies, organisation theory, personnel management, industrial relations and motivation theory. Traditional topics such as the Hawthorne Experiments, Webersquo;s ideal type of bureaucracy and Maslowrsquo;s hierarchy of needs are put into perspective, along with ideas about organisational cultures, the labour process and the idea of corporate employment strategies.

About the AuthorMultivolume collection by leading authors in the field
