**Simon Majaro : Marketing in Perspective (RLE Marketing): Volume 21 (Routledge Library Editions: Marketing)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Marketing in Perspective (RLE Marketing): Volume 21 (Routledge Library Editions: Marketing):

This book provides a stimulating perspective on a wide range of important topics and major challenges which

confronted marketing management in the 1980s and are still of relevance today. The author applies a critical knowledge of modern theory and practice to pinpoint the crucial importance of three interrelated ingredients — productivity, integration and creativity, for success in an increasingly demanding and cost-effective environment. Each chapter reviews marketing concepts, theories and methods — both recent and well-established and each chapter can be read on its own in response to a specific problem. As well as an extensive bibliography, the volume contains useful case-studies.
