Onboarding: Hundreds of ready-to-use phrases to train and retain your top talent (Perfect Phrases Series):

0 of 0 people found the following review helpful. Perfectly PracticalBy MMBKeep this small volume handy. Perfect Phrases for New Employee Orientation and Onboarding has ready-to-use phrases one can pluck from each of its 12 concise chapters. i.e. Chap.3- Prestart Phase, Chap.4- Typical Onboarding Challenges, Chap.10- Giving Onboarding Feedback The 13th chapter offers the reader a straight path for building an effective onboarding experience. Authors, Hampel and Lamont, have written so that the text can be read straight through or specific chapters can be read randomly. This is a must read for HR professionals or hiring managers.M.M.Buban, consultant0 of 1 people found the following review helpful. It's OKBy CustomerIt is OK but there I did not realize it was literal phrases and not scenarios. If I would have known that I would not have bought it.0 of 0 people found the following review helpful. Ready, Steady and Hire for Success!By Anne BruceBuyer's remorse--as authors Hampel and Lamont so wisely point out, is not just something felt by consumers--employees feel it too!I am recommending to all the managers and leaders that I work with that they actually carry this book with them if they want to get their new hires up and running and off to a great start!"Perfect Phrases for New Employee Orientation and Onboarding" demonstrates, using specific phrases and terms, how any manager can avoid the typical 40% failure rate when hiring new workers. It's also a great tool for easier onboarding of diverse, as well as multigenerational, work teams. This book showed me practical ways to immediately engage new hires, build fast relationships, show peoplehow much I value them and their contribution to the organization, and start expressing more clearly organizational culture and important new-hire expectations from the get go.This book will help you close the gap on the challenges of new employee orientation so that you won't have to ask yourself the question, "What did I get myself into?"Anne BruceGreater Los Angeles AreaConsultant and Leadership Trainer

THE RIGHT PHRASE FOR EVERY SITUATION . . . EVERY TIME Getting new employees up and running with the company is a highly challenging process.
