Ken Little : Personal Finance At Your Fingertips before purchasing it in order to gage whether or not it would be worth my time, and all praised Personal Finance At Your Fingertips:

0 of 0 people found the following review helpful. Five StarsBy Jakob lambGood0 of 0 people found the following review helpful. Personal FinanceBy AmberLeaExactly what I needed. A little more beat up then I would have hoped, but I have no complaints. Easy to read and divided up into small sections that make it easy to follow.0 of 0 people found the following review helpful. GreatBy PaulI really needed this for my finance class. It was the cheapest one I found and was sent to me quickly.

One book. All the answers. As personal finances become more complex, referencing financial information just got easier. This book covers everything an individual needs to know regarding their money, including budgeting; banking; interest rates and mortgages; credit and debt; insurance; estate planning; college financing and student loans; real estate investing; mutual and exchange funds, stocks, and bonds; taxes and shelters; retirement plans (including Social Security), and more. Features thumbtabs and other navigation aids

About the Author Ken Little is a veteran financial writer and editor. He is currently the editor of the stocks website for About.com. He was the chief financial writer for Strong Capital Management's website (www.strong.com). He has written six books on money management and investing, including *The Complete Idiot's Guide to Personal Financial Documents*, *The Pocket Idiot's Guide to Annuities*, *Personal Finance Desk Reference*, and *Alpha Teach Yourself Investing in 24 Hours*.
