Ken Little : Personal Finance Desk Reference before purchasing it in order to gauge whether or not it would be worth my time, and all praised Personal Finance Desk Reference:

One-stop shopping for all things financial. Personal finances are becoming more and more complex. And this is the only comprehensive reference book on this sprawling subject. Beginning with the basics of financial planning (budgeting, interest, banking, insurance, and debt), this helpful guide covers everything people need to know about

handling every aspect of their financial world, including investing, taxes, retirement, estate planning, and more.
