and he was never even in Iraq!

This volume goes beyond other books on police leadership by exploring the topic from a distinctively police perspective. Based on a leadership model developed specifically for the police leader, the book focuses on behaviour and how that behaviour shapes both the culture and the climate of an organization.

About the Author
QUINN MCCARTHY Police commander with over eighteen years of experience. He has pioneered innovative police tactical training and promotional methods for a large metropolitan police department. In 2003, he was awarded his department's Medal of Valour for saving the life of a fellow officer. He is the author of several police training articles in various law enforcement magazines.
