Niels Aring;kerstroslash;m Andersen : Power at Play: The Relationships between Play, Work and Governance before purchasing it in order to gage whether or not it would be worth my time, and all praised Power at Play: The Relationships between Play, Work and Governance:

More and more adults participate as employees in games at work and in public and voluntary organizations. Power at

play covers the intricate linkages between pedagogy, play and power. It shows how power today suspends itself through play and analyzes organized play as a symptom of more radical changes of the exercise of power in work and society.
