**Vicky Oliver : Power Sales Words: How to Write It, Say It and Sell It with Sizzle** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Power Sales Words: How to Write It, Say It and Sell It with Sizzle:

1 of 1 people found the following review helpful. One of the most pragmatic books. By All in communication to be short and to the point is a very rare quality and when it is missing the communication suffers. This book is short and to the point. This is a most pragmatic approach to writing to sell. Every time I have to write I find great guidance in this wonderful book. People who criticize the lists of words presented in this book are missing the usefulness of this most practical book. Look at it as a crash course in writing. The "short" Writers' Handbook (800+ pages) is probably a superior English text in academia. This is useless when you need to write a job application cover letter in a hurry. Some purists have lost touch with the reality of business needs and fast pace. 3 of 3 people found the following review helpful. Power-Packed and Handy! By J. L. Shafer This book is a contemporary Thesaurus and handbook for those who write advertising or promotional copy, or want to jazz up their delivery. Anyone new to this kind of writing or is thinking of getting into it will certainly appreciate having this book at their fingertips. Joyce Shafer Author of "I Don't Want to be Your Guru, but I Have Something to Say" and "How to Have What You REALLY Want." 0 of 0 people found the following review helpful. Good book, and nice resource but much of this ... By infrequent\_shopper Good book, and nice resource but much of this can be found for free via a Google or some other web search app.
