**Gu**drun Maria Nickel : **Probate and Settle an Estate in Florida (Legal Survival Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Probate and Settle an Estate in Florida (Legal Survival Guides):

5 of 5 people found the following review helpful. Poorly Titled but Still UsefulBy Sleepless in NHThe book should really be called "How Your Lawyer will Probate and Settle an Estate in Florida", per the following quote in the introduction: "The Florida Probate Rule 5.030 states that every guardian or personal representative, unless the personal representative is also an attorney, must be represented by an attorney." I tried to see if there were any exceptions for avoiding hiring a lawyer, but it was all vague.However, the book provides a checklist as well as summaries of the process for1) Formal Administration with A Will2) Formal Administration without a Will3) Summary Administration with A Will2) Summary Administration without a WillI found the checklist that pertained to my situation along with a brief description of the process to be very useful. I was able to take the checklist and basically highlight the items and attach to corresponding documents as the process unfolded.Everything didn't adhere to the list exactly and the forms

were't identical, but the checklist was close enough for me to be able to make some sense of it all. 0 of 0 people found the following review helpful. waste of money By rik altdoerffer this book did not give me any more help than the checklist I received back from the court. waste of money! 0 of 0 people found the following review helpful. This is a good desk reference anyone attempting to probate an estate in ... By Christopher W. Cook This is a good desk reference anyone attempting to probate an estate in Florida. It would also make an excellent Text Book for any law students taking a Probate Work Shop.
