guide for authors on how to effectively use social media for marketing. This important aspect of being an author is so different from writing that many (most) authors find social media marketing intimidating and distasteful. This guide goes beyond the generic instruction (use Face Book and Twitter) and dives into the practical aspects: how to structure messages, what type of content is appropriate, how often to put out the message. A must-read for serious authors, and a useful desk reference!

Pub Light provides a concise, comprehensive guide to assist authors in the daunting task of properly marketing their books. We've compiled the best tips and tricks in the industry from marketing experts, independent authors, and professional bloggers. In 10 easy steps, we reveal the best ways to leverage your audience, from utilizing social media, networking with people you know, getting your book reviewed, and more!
