Franklin G. Mixon Jr. : Public Choice Economics and the Salem Witchcraft Hysteria before purchasing it in order to gauge whether or not it would be worth my time, and all praised Public Choice Economics and the Salem Witchcraft Hysteria:

Public Choice Economics and the Salem Witchcraft Hysteria provides an economics perspective on the witchcraft episode, and adds to the growing body of work analyzing prominent historical events using the tools of economics.

About the Author Franklin G. Mixon, JR. received a PhD in economics from Auburn University in 1992. He began his academic career that same year at Southeastern Louisiana University (1992-1994). Mixon has also held academic posts at the University of Southern Mississippi (1994-2007), Auburn University (2008-2009), Mercer University (2009-2010) and Columbus State University (2010-present), where he is currently Professor of Economics and Director of the Center for Economic Education. In terms of research, Mixon's areas of interest include public choice economics, labor economics, industrial economics and sports economics. He has published in several prestigious journals, such as Applied Economics, Communications in Statistics Simulation and Computation, Economic Inquiry, Empirical Economics, Games, Journal of Applied Econometrics, Journal of Economic Perspectives, Journal of Money, Credit, and Banking, Journal of World Business, Oxford Bulletin of Economics and Statistics, Public Choice and Southern
