It gets to the heart of the issue : Where and how can we effectively get Affluent loyal clients. Great book to complemented with Nick's Murray The game of numbers. In my opinion.0 of 1 people found the following review helpful. Cultivate your centers of influence...By Marc E. Walkerexcellent primer on cultivating centers of influence...8 of 8 people found the following review helpful. Good info for designing a Financial Planning practiceBy Artephius (.As a Registered Investment Advisor planning my own Financial Planning practice, this book was an excellent source of marketing data and potential marketing strategies.Based upon survey data with significant sample sizes, the best way to land high net worth clients is through their lawyers first, and accountants second.I enjoyed the alternative methods for encouraging lawyers.....and/or accountants to refer high net worth clients to financial planners.All-in-all a good source of marketing strategy information for financial planning professionals.Book was easy to read and written well.High net worth investors might enjoy the book, in order to understand the various marketing strategies and relationships between financial planners, lawyers, and accountants.I would suggest companion books to supplement this book including:The Richest Man in BabylonBogle on Mutual Funds: New Perspectives for the Intelligent InvestorThe Millionaire Next DoorThe Four Pillars of Investing: Lessons for Building a Winning PortfolioA Random Walk Down Wall Street: The Time-Tested Strategy for Successful Investing, Ninth EditionThe Coffeehouse Investor: How to Build Wealth, Ignore

Wall Street, and Get On With Your Life
The Bogleheads' Guide to Investing
Wealth: Grow It, Protect It, Spend It, and Share It
All About Asset Allocation.
