**Miriam Goodman : Reinventing Retirement: 389 Bright Ideas About Family, Friends, Health, What to Do, and Where to Live** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reinventing Retirement: 389 Bright Ideas About Family, Friends, Health, What to Do, and Where to Live:

With 76 million baby boomers on the cusp of retirement in the U.S. alone, it's time to look beyond finances and examine how ending traditional, full-time work impacts every aspect of life. Author Miriam Goodman has interviewed hundreds of retirees on the subjects of home, marriage, family, friends, hobbies, health, and even on going back to

part- or full-time work. Their insights will help readers create their personalized strategy for an active and fulfilling retirementwhether that means sailing around the world, starting a new business, or moving to be closer to grandchildren. A workbook format with tabbed sections makes it easy to access the highly practical information that makes Reinventing Retirement an essential guide to this exciting new phase of life.
