Relationship Marketing: Creating Stakeholder Value extends the analysis of the change in the marketing rationale

from a crude concern for increased market share to a strategy aimed at creating long-term profitable relationships with targeted customers. Offering a cutting edge vision of relationship marketing, *Relationship Marketing: Creating Stakeholder Value* is a seminal text for all students and managers in the field. With new up-to-date case materials and examples of best practice, the book covers all the stakeholder markets - employees, suppliers, influencers, customers and consumers - for which the relationship approach is critical. It also provides crucial advice on how to develop, integrate and implement the various strands of a successful relationship strategy.

From the Publisher The completely updated and revised edition builds on the success of the one of the first and most highly regarded books on this subject, the addition of new up-to-date case materials and examples of best practice will make the book a highly effective text.
