From Palgrave Macmillan : Relationships in Organizations: A Work Psychology Perspective before purchasing it in order to gage whether or not it would be worth my time, and all praised Relationships in Organizations: A Work Psychology Perspective:

This book is an exploration into the current world of relationships in the workplace. It focuses on the ways in which organizational relationships ndash; be they friendships, superior-subordinate relationships, negative relationships,

romantic liaisons or simply membership to a social network ndash; can influence and affect our experience of work.
