**Gary Namie, Ruth F. Namie : The Bully-Free Workplace: Stop Jerks, Weasels, and Snakes From Killing Your Organization** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bully-Free Workplace: Stop Jerks, Weasels, and Snakes From Killing Your Organization:

At long last a guidebook for employers that discusses workplace bullying from America's unrivaled leaders and

creators of the workplace bullying consulting institute. Managers will learn how and why to stop bullying; prepare executives to lead the campaign and to resist undermining efforts of subordinates; and create a new, positive role for human resources. Outlining the required steps, *The Bullying-Free Workplace* includes information on how to create a preventive policy that brings consequences, like never before, when violated. The authors discourage half-hearted, short-term fixes that are prevalent today, and present their signature Blueprint methodology to successfully protect employee health and eradicate the psychological violence from organizations.
