4 of 4 people found the following review helpful. Excellent sound advice from the BibleBy Ken GosnellThis is a practical guide to money and wealth. The self assessment questions at the end of each chapter are insightful and

helpful in planning a good financial future. In a day of fads and get rich quick schemes, this book is full of solid advice on how to build a portfolio on biblical principles. I recommend this book for any person, but especially business people who need to develop a solid plan for their money.0 of 0 people found the following review helpful. Five StarsBy Scott BurkettLarry Ron lay everything out in an easily read and understood manner.0 of 0 people found the following review helpful. Excellent Financial and Estate Planning ResourceBy Connie GWith a depth of experience the authors provide wise biblical counsel on handling financial resources. They cover a broad range of topics and include personal methods as well. I would strongly recommend this book to anyone who is either earning income or recently retired. It is an encouragement for all of us to get our financial houses in order.
