Gary Cook, Jennifer Johns : The Changing Geography of International Business (The Academy of International Business) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Changing Geography of International Business (The Academy of International Business):

Presents papers which grapple with some of the most important developments and challenges in International Business, both for the firms who must fashion strategy within a rapidly changing world economic order and researchers who seek to explain the nature of these shifts and how firms respond.

To come
