Her affirmations have helped me reduce a lot of stress. Even my husband noticed the difference. Shinn's writings are older than the Secret and the Abraham Hicks books and cover the same concepts. 3 of 3 people found the following review helpful. Ahead of her time! By George I was in a really dark place when I started reading this book and felt very trapped in my circumstances. It's served as a reminder of the power of prayer and faith and is helping me to rewire my thoughts toward focusing on the goodness of God instead of all of the dark things that appear to be powerful in this world. It reminds me of the verse, "The light shines in the darkness, and the darkness has not overcome it (John 1:5). I would recommend this to anyone struggling with hopelessness. 0 of 0 people found the following review helpful. Simple guide to a better life. By Alison M. Stokes Simple, concise straightforward.
