Peter Richmond : The Complete Idiot's Guide to Buying a Home (Complete Idiot's Guides (Lifestyle Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Idiot's Guide to Buying a Home (Complete Idiot's Guides (Lifestyle Paperback)):

1 of 1 people found the following review helpful. Very thorough bookBy ProfTomThe book covers all the territory (publ 2010) we needed. If you're considering buying a home that is in any way "tricky" -- a very old building, a confused title history, a lot of extra land, whatever -- I would still recommend getting some specialized advice. 1 This Idiot series has always served us well. In the most recent case, the purchase deal did not go through and we are relieved at the outcome.0 of 0 people found the following review helpful. Easy to Read and PricelessBy Emily RiceA coworker recommended this book. He told me it was the best money he ever spent, the questions the book lead him to had the bank representatives he spoke to calling upper management for the answers. This book is easy to read and keeps you engaged. I highly recommend this book.0 of 0 people found the following review helpful. Great reference.By CustomerStill reading, but it is a great resource.

In real estate, it's a buyer's market - and here is the buyer's bible...Buying a home is the single most important financial move in most people's lives. This book covers a variety of topics including inspecting, evaluating, negotiating, financing, contracts, and legal issues. It also breaks down the roles of the key players and what these professionals, agents, brokers, and inspectors are responsible for - and when to go it alone. The thorough advice, covering everything from buying houses at auctions to what neighborhood to live in, will provide reassurance for every soon-to-be homeowner. - A necessary tool for those who plan to buy homes and even current homeowners in order to keep up with an ever-changing market.- Will be published in time for spring, when most people start looking into buying new homes.- Covers a broad range of buying options and homeowner's needs.

About the Author Peter Richmonds has more than 16 years experience in the real estate industry and is a partner in his real estate firm, The Richmonds-Peter Jane. He has written a regular bylined column for the nationally circulated magazine, REO Monthly, writes blogs on real estate and foreclosures, and has recently authored his third book, The Unofficial Guide to Flipping Properties. Peter also has a law degree with a specialty in international law.
