Military and Veterans BenefitsBy Veterans WifeThis is a wonderful book with all types of information, especially for the retired veteran.

The perks for American servicemen and women.The U.S. Armed Forces exists in a reality all its own. Members are fed, paid, clothed, housed, and protected in a way few other American citizens can claim. Soldiers, sailors, airmen, and Marines can shop at low-price grocery stores, protect their families with low-cost insurance, and earn a lifetime pension before they turn 40 years old. In fact, military life offers so many benefits and perks, it's hard for the average serviceman or woman to keep track of them. Finally, here is a guide that explains the benefits and how to obtain them. Inside, readers will find:* Clear and precise explanations of active duty family benefits* Details on veteran education

and medical benefits* A money-saving guide to discounts for both active duty personnel and Veterans

“While my daily activity involves advocating for veterans benefits, that’s where my knowledge and training is focused. This book contains valuable information in many other areas of which I have little or no knowledge. I would certainly recommend this publication for every Active Duty military family and veteran alike. It contains a wealth of information in this one publication that I have not seen anywhere before.” — Jim Tuohy, National Jr. Vice Commandant, Marine Corps League
