From Wiley : The Cornell School of Hotel Administration on Hospitality: Cutting Edge Thinking and Practice before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cornell School of Hotel Administration on Hospitality: Cutting Edge Thinking and Practice:

8 of 8 people found the following review helpful. The best book about hospitality I have read so far By Neori I feel the need to change my review from mixed to 5 stars. After entering hotel business this book served me as a bible for the

last half a year. Concise, yet full of systematic knowledge. The best chapters in the book for me were about soft skills: The listening fast track, Becoming a leader in the hospitality industry, The integrity dividend in hospitality leadership, Developing and managing your multinational career. For someone who is new to this business, this resource gave a nice logical framework for career development. 0 of 0 people found the following review helpful. A great overview of hospitality operations, By Dorothy Wilson. A great overview of hospitality operations, Great information in stand-alone chapters allows for use as a ready reference as well. 0 of 0 people found the following review helpful. Five Stars. By Otto Noordraven. Good product and fast delivery.

This cutting edge and comprehensive book, with contributions from the star faculty of Cornell University's School of Hotel Administration, offers the latest thinking on the best practices and strategies for hospitality management. A must for students and professionals seeking to enter or expand their reach in the hospitality industry, The Cornell School of Hotel Administration on Hospitality delivers the authoritative advice you need to: Develop and manage a multinational career and become a leader in the hospitality industry; Maximize profits from franchise agreements, management contracts, and leases; Understand and predict customer choices, and motivate your staff to provide outstanding service; Manage hospitality businesses and the real estate underlying the businesses; Control costs, coordinate branding strategy, and manage operations across multiple locations.
