IndispensableBy PBankerInstructively splays out a wealth of practical strategies sales professionals can use to launch multi-tiered business development campaigns with surgical precision. Unlike most concomitant "field books", this wasn't a watered-down variant of the original release. Indispensable for anyone that's serious about in-depth campaign planning, tactical approaches to prospect-facing encounters and forecasting methodologies. Highly recommended.1 of 1 people found the following review helpful. Practical and useful book for Prospecting 101!By Jill PerezThis new book is great for any salesperson, whether experienced or new, to learn tangible, hands-on skills that can be easily executed and practiced on a daily basis. If you want to know how to prospect today, then this is a must-read.0 of 0 people found the following review helpful. Five StarsBy JOAO LUIZ SALISSO FILHOExcellent field sales guide

*The Proven Approach to Prospecting for the Long Sales Cycle* It's a fact: 92 percent of C-level executives never respond to e-mail blasts or cold calls . . . so why would you continue to rely on these approaches to generate new business? If you're like most sales professionals, it's time to transform your selling method by listening rather than talking and by asking questions rather than stating opinions. In short, you need to be customer-centric. This revolutionary new guide will show you how. *The CustomerCentric Selling Field Guide to Prospecting and Business Development* gives you the tools and methods necessary to refocus your energy from blindly delivering sales pitches to developing lasting relationships with profitable clients. This clear, concise, and proven-effective field guide covers: The six steps to prospecting success Calculating pipeline strength and requirements Successfully engaging decision makers at the "point of need" Ways to develop and deliver a sales-ready message How to leverage relationships through social networking *The CustomerCentric Selling Field Guide to Prospecting and Business Development* provides the tools you need to improve prospecting and business development effectiveness. Most important, it helps you increase productivity, win more business, and develop lasting relationships with your ideal customers.
