James R Barker : The Discipline of Teamwork: Participation and Concertive Control before purchasing it in order to gage whether or not it would be worth my time, and all praised The Discipline of Teamwork: Participation and Concertive Control:

This lively and well-written book will provoke management scholars, students, executive consultants and especially

team members themselves to consider how the discipline of teamwork affects them and what they ought to do about it.

" The Discipline of Teamwork represents a major work at the fulcrum of organizational culture, organization communication, and social change." nbsp;" . . .a sophisticated ethnographic research study on team behavior and culture that should appeal to the academic community seeking to advance the theory and understanding of participation and concertive control." "The Discipline of Teamwork represents a major work at the fulcrum of organizational culture, organization communication, and social change." -- Patricia A. Adler." . . .a sophisticated ethnographic research study on team behavior and culture that should appeal to the academic community seeking to advance the theory and understanding of participation and concertive control." -- Anthony R. Montebello." . . .a sophisticated ethnographic research study on team behavior and culture that should appeal to the academic community seeking to advance the theory and understanding of participation and concertive control."--Anthony R. Montebello "The Discipline of Teamwork represents a major work at the fulcrum of organizational culture, organization communication, and social change." --Patricia A.
